PROFILE SUMMARY

Digital Marketing Executive with experience in the EdTech industry, specializing in SEO, Local SEO, Social Media Marketing (SMM), Meta Ads, and Google Ads. Skilled in planning, executing, and optimizing data-driven digital marketing campaigns to improve brand visibility, website traffic, lead generation, and conversions. Demonstrates practical exposure to graphic design using Figma, Affinity, and Canva, along with video editing tools such as DaVinci Resolve and CapCut, supporting social media and paid marketing campaigns. Experienced in content creation, performance analysis, and campaign optimization. Previously worked for 11 months in Amazon Seller Support (BPO), gaining strong communication, problem-solving, and customer management skills.

WORK EXPERIENCE

Digital Marketing Executive — Payilagam | October 2025 – Present

- Manage SEO and Local SEO initiatives to improve search visibility, keyword rankings for website and local business presence.
- Execute Social Media Marketing (SMM) strategies across platforms to increase engagement and brand awareness.
- Create marketing creatives using Canva and Figma for social media, ads, and digital campaigns.
- Edit reels, YouTube videos, and promotional content using DaVinci Resolve and CapCut.
- Develop and manage website content using WordPress (Elementor), ensuring SEO-friendly structure and user experience.
- Write optimized content and copy aligned with marketing goals and audience intent.
- Monitor campaign performance and assist in optimizing digital strategies for better lead generation and conversions.

Key Achievements:

- Improved online visibility and engagement through integrated SEO, SMM, and content-driven initiatives.
- Supported marketing campaigns with consistent design, video, and website updates.

Growth Marketer — SBBS Marketing Consultant | Mar 2025 – Sep 2025

- Worked on SEO and Local SEO strategies for multiple clients across different industries. Managed content writing for SEO, LinkedIn page management, and email marketing campaigns to support lead generation and brand growth.
- Executed and optimized Meta Ads and Google Ads (Google AdWords) campaigns. Handled Customer Relationship Management (CRM) activities to support client communication and campaign coordination.
- Collaborated in an agency environment, delivering mixed digital marketing services for 50+ clients across various domains.

Key Achievements:

- Successfully supported multiple clients for different brands campaigns with consistent delivery across SEO, paid ads, and content.
- Gained exposure to diverse industries and marketing objectives in a fast-paced agency setup.

Seller Support Executive — Sutherland | Dec 2023 – Nov 2024

- Provided Amazon Seller Support through email and live chat, handling seller queries across processes including M@, FBA, FFT, and IIDP.
- Assisted sellers with account-related issues, order management, and policy-related queries while maintaining quality and SLA standards.
